

Does it work? I think...you will think...it does...beyond your wildest imagination! On September 4th, 2014, I got to the casino about 11 AM. I began to play this new OO System. I took about a 30-minute break for lunch, and came back to play. I left at 5:10 PM. It turned out to be a good way to spend an afternoon (see the next page)! And just in case you think these are copies of the same W2G..they're not. Check the Transaction #'s. I played 14 total numbers for the first jackpot...and 15 numbers for the second jackpot. I hit 7 out of 8, 8 out of 9, and 9 out of 10. I never hit them all (8 out of 8, 9 out of 9, or 10 out of 10). If I would have, I would have won closer to the full payout on a \$4 pull...of \$37,000...on each BIG Jackpot!!! Then take a look at the rest of the month...

Here are more of my winnings using the OO System over the next several days. I didn't show all of the W2Gs here because of space, but you should see enough W2Gs on my site to let you know...I get enough of them...that I don't need to tell you something that is not true. I think you will agree...this new OO System works!

Total **\$109,228.00**

I won more than \$109,000 in BIG Jackpots, in 16 trips (afternoons) to the casino during September of 2014 with this OO System. You won't believe the exhilarating experience you encounter when you see the left side of your screen tally up...instantly...from nothing...to thousands of dollars...from your hits!

Then, after receiving several requests since...asking, "Does it still work?" I took January through March of 2020 and played 400 hours. I won more than \$200,000 using this exact system the way it is written. Those dates and winnings are displayed on the site.
